Reliable and durable braking

- **Optimized braking performance**
- **High thermal stability**
- **Warp- and crack resistant**
- **Reduced noise & vibration**
- **Excellent value for money**

Manufactured to demanding standards, Haldex discs provide consistent braking performance across a wide range of operating conditions and applications.

Their robust design supports reliable operation and predictable service life, helping workshops reduce risks and ensure smooth vehicle maintenance.

Haldex, the braking specialist

With an expanding portfolio covering key European **truck and trailer applications**, Haldex discs help workshops and distributors ensure availability while simplifying stock management.

Haldex discs, performance you can rely on.
