SAF Holland Group

HALDEX PADS, **ENGINEERED BY THE BRAKE SPECIALIST**

Braking expertise down to every detail

Brake performance starts where friction happens. Haldex brake pads are selected and optimized for each specific application, ensuring consistent braking behaviour and safe operation under demanding conditions.

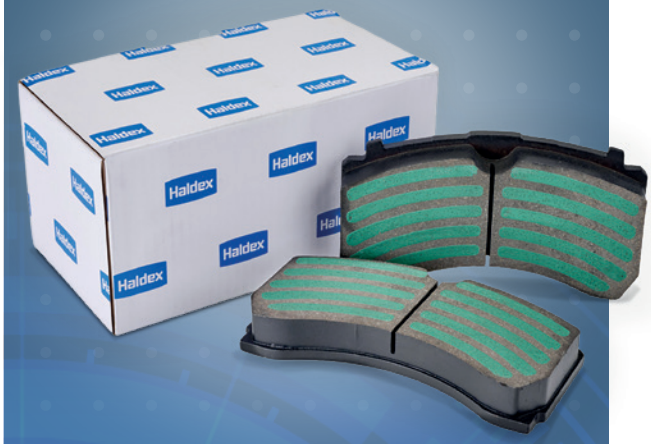
Brake expertise



Benefits

- Easy installation – saves time
- Reliable product quality
- Reduced risk of warranty claims
- Improved workshop efficiency
- Broad vehicle coverage
- Attractive price-performance ratio

A reliable solution for everyday operations

Reliable and durable braking

- **High and stable friction performance**
- **Controlled wear behaviour**
- **Low noise characteristics**
- **Consistent performance across temperature ranges**
- **Corcorrosion-protected backing plate**
- **Optimized compatibility with brake discs**

Designed as part of a complete braking approach, each friction formulation is tailored to its application, delivering predictable performance across operating conditions while supporting the durability of surrounding components.

Haldex, performance you can rely on

With a continuously expanding range, Haldex supports workshops and distributors with reliable solutions that combine performance consistency, ease of identification and broad application coverage.

A growing range covering key European truck and trailer application

Haldex brake pads reference list

Haldex Part N°	Description	OEM N°
6402903000	Brake pad set 22.5" ELSA1/D3 suitable for Renault*	5001823000
6402903900	Brake pad set 19.5" B FRAME 2X68 suitable for Volvo*	276147
6402905900	Brake pad set 22.5" SB/SN7 suitable for Scania*	1390428
6402908800	Brake pad set 17.5" PAN-17 suitable for Renault*	5010848607
6402909500	Brake pad set 19.5" SB/SN6 suitable for Mercedes Benz*	A002427920
6402910000	Brake pad set 22.5" C-LISA suitable for Renault*	5001833104
6402912200	Brake pad set 17.5" LUCAS suitable for Iveco*	5001825638
6402912500	Brake pad set 22.5" D DUCO/LUCAS suitable for Volvo*	1078439
6402912600	Brake pad set 19.5" PAN-19 suitable for Schmitz*	1100810
6402913100	Brake pad set 22.5" LUCAS/ELSA2 suitable for MAN*	81508205072
6402914800	Brake pad set 17.5" SB/SN5 suitable for Mercedes Benz*	A0004211010
6402915100	Brake pad set 22.5" DLE-DUCO suitable for Volvo*	20768101
6402915800	Brake pad set 22.5" SK7 suitable for Krone*	550025995
6402916200	Brake pad set 22.5" MAXX22T suitable for Schmitz*	1195232
6402917300	Brake pad set 22.5" ELSA225-1 suitable for Volvo*	21496551
6402917400	Brake pad set 22.5" ELSA225-3 suitable for Volvo*	21496550
6402917700	Brake pad set 19.5" ELSA195 suitable for Renault*	5001864380
6402922700	Brake pad set 19.5" TSB 3709 suitable for BPW	0980107940
6402922800	Brake pad set 22.5" TSB 4309 suitable for BPW	0980107960
6402924400	Brake pad set 22.5" SL7 suitable for Mercedes Benz	A0064201520
6402924600	Brake pad set 22.5" SM7 suitable for Mercedes Benz*	A0064201420
6402927900	Brake pad set 22.5" MAXX22 suitable for MAN*	81508206065
6402928400	Brake pad set 19.5" MAXX19 suitable for Volvo*	21538279
6402928500	Brake pad set 17.5" MAXX17 suitable for Volvo*	21538255
6402930600	Brake pad set 19.5" SB/SN6 2KEY suitable for BPW*	0980107090
6402930700	Brake pad set 22.5" SB/SN7 2KEY suitable for BPW*	0509290070
6402930800	Brake pad set 22.5" SK7 2KEY suitable for BPW*	0980106950
6402931500	Brake pad set 22.5" MAXX22L suitable for Mercedes Benz	A0084206420
6402932800	Brake pad set 22.5" ST7 suitable for Schmitz*	1178243
6402933100	Brake pad set 22.5" SN7 HP suitable for Scania	2325212
6402933200	Brake pad set 22.5" ELSA225H suitable for Scania*	2272502
6402933600	Brake pad set 22.5" PAN-22 suitable for DAF*	877935
6402940300	Brake pad set 22.5" TS2 4309 suitable for BPW	0980108730
6402940500	Brake pad set 19.5" TS2 3709 suitable for BPW	0980108720
6402944000	Brake pad set 22.5" SYD7 suitable for DAF	2273741
6402934000	Brake pad set 22.5" DCAL7 suitable for Mercedes Benz	0250410020
