

SAF® CBX Fixed Frame Suspensions

Product Discontinued – CBX23-245 Fusion Series

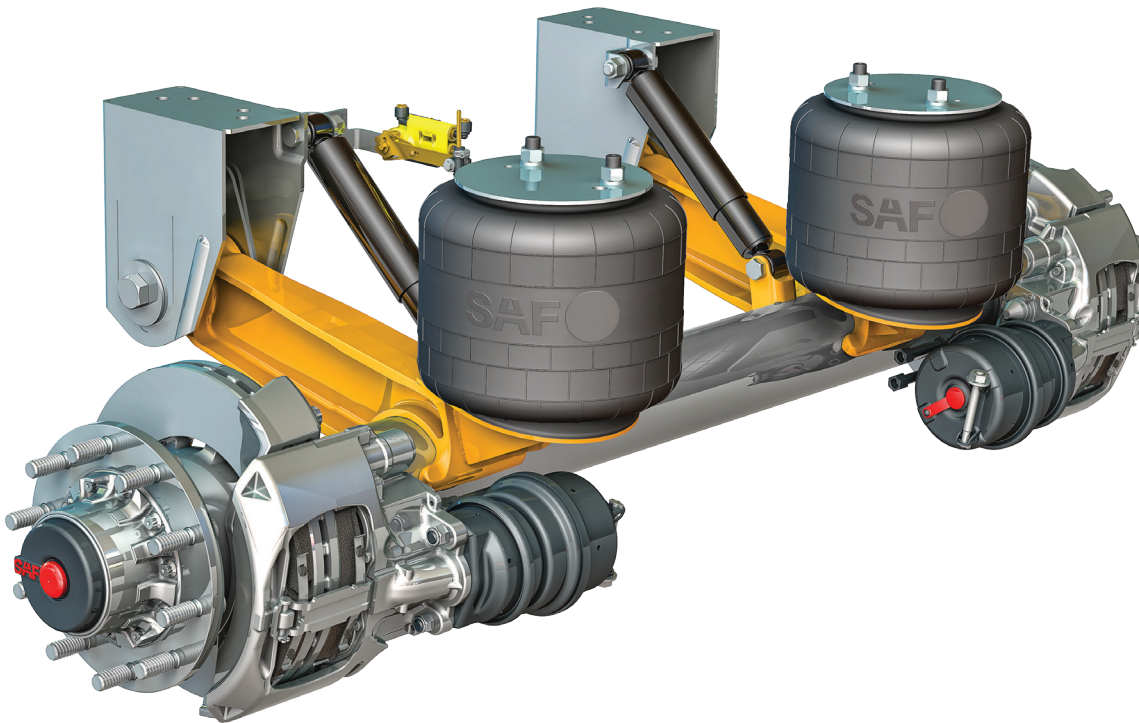

Effective Date: January 2027

With the launch and implementation of the CBX Aerobeam Fixed Frame Suspension Series, SAF-Holland will no longer offer CBX23-245 Fusion Series Suspensions for new OEM builds. Beginning January 1, 2027, all CBX23-245 fixed frame air ride applications will need to be specified with the CBX Aerobeam Series (CBXAS23). Other CBX suspension series will remain active.

Service parts will be available for a limited time. After that, suspension replacement will be required.

Impacted Models:

This discontinuation will affect all CBX23-245 suspension models with part numbers starting with S15 or S16. Please contact your account manager for part number conversions.
